Agenda Items	1. Introduction of members 2. Purpose of PAC/ELPAC 3. Review and Comment on 26-27 School Safety Plan. 4. Parent Engagement Suggestions
---------------------	---

Topic 1: Overview and purpose of PAC	Cesar Valadez, staff member, explained the purpose of PAC and outlined the duties of all committee members. He highlighted the importance of parent and student involvement, the need for feedback from both parties, and how this contributes to school improvement. After his presentation, the floor was opened for questions, but no questions were asked. Instead comments by parents Eileen Deleon and Marc Wallace as to how grateful they are for OFL and how they want to be involved.
Topic 2: School Safety Plan	Guest presenter Stephanie Grey presented a comprehensive school safety plan and provided updates on sections, which include “Routine and Emergency Disaster Procedure” and “Procedure for Safe Ingress and Egress.” Other components included: Routine & Emergency Disaster Procedures, Discipline Policy, Child Abuse Reporting Procedures, and Other Topics Covered in School Safety Plan. The floor was open for questions; none were posed, but the parent Alex commented that he loves OFL and that the school has helped his grandson and that it is necessary although unfortunate that we have a Safety Plan.
Topic 3: Parent Engagement Suggestions	Staff members Stefanie Singer and Cesar Valadez asked for feedback in terms of how to get more parent involvement. Staff members also presented the positives offered at OFL which include smaller classrooms, traditional student activities like sports and clubs, and the fact that OFL offers students an opportunity to excel. In addition, it was mentioned how we need more public support from parents and how their suggestions could help us in getting more involvement. The floor was open and several parents shared that they are extremely happy with OFL. Vanessa Wallace said her daughter is excelling and so she wants to be part of our PAC moving forward. Parent Marc Wallace also said he loves looking at data and would be interested. Parent Eileen Deleon shared how our event was great and how she wants to continue being a part of it.

Public Feedback and Input:

- 1) Parents unanimously agreed that the school safety plan is strong and that they had no further suggestions.
- 2) EL parent also says it would be better if there was more communication in Spanish.
- 3) One Gen Ed parent asked if information regarding our sports, clubs and activities was on our website.
